

## Face Mapping

### Expert Skin Analysis.

### Targeted Results.

**Dermalogica's Face Mapping** provides a deep look into your skin's health. Combining the latest advances in skin analysis with the ancient benefits of **Chinese Diagnosis**, you'll receive a treatment specially designed to address your personal skin concerns. It's targeted skin care for exceptional results, and it's only available from our Dermacia skin care centre.

Based on your consultation, your Dermacia therapist will pinpoint exactly what your skin needs (and what it doesn't). As your skin condition may change according to your personal circumstances, your Dermacia therapist may change the treatment and product accordingly to best suit your skin condition at the time of your visit.

**Ultimate Non-Surgical Body  
Sculpting**

Body Ultimate Body Contour System has many benefits. Not only does it use relaxing micro current pulses to lift and tone muscles to improve the contours of the body, it even improves and refines skin texture, reducing the orange peel effect from cellulite by promoting lymphatic drainage, resulting in smoother looking skin. Possible outcomes include inch loss, reshaping and lifting the derriere and breasts.

**Complete Body Toning £55**

Lifts and tones muscles by using intermittent micro-current pulses

**Bust Lifting and Firming £50**

Using specialized bust cups providing a totally non invasive treatment the breast is toned and lifted, improving both the contour and the shape of breasts.

**Bust, Upper Arm & Back £50**

This is an upper body toning treatment aimed at improving tone and contours of breasts and arms

**Anti Cellulite £50**

Using micro-current galvanic current to assist with the breakdown and elimination of cellulite

**Slimming Treatment 20mins £30**

The machine rollers removes waste and the build up of toxins by reharmonising the connective tissue and increases blood and lymph circulation. The result: a slimmer, more contoured body and smoother, firmer skin. This painless process produces a feeling of well-being and is extremely relaxing.
